PROFESSIONAL SUMMARY

Account Management and **Data-focused** professional with **5+ years** of international experience across B2B sales, client relationship management, retention, project delivery, reporting, and data support. Proven track record closing **130+ exhibitor bookings** representing an estimated **€940K+** in base booth sales and supporting a **76% exhibitor return rate** across international trade shows. Experienced in managing client relationships, coordinating multiple stakeholders, maintaining sales pipelines, supporting data quality and reporting initiatives, and delivering user training. Strong command of **HubSpot** and **Excel**, with experience working in **Power BI** reporting environments and **SQL** knowledge for data analysis.

WORK EXPERIENCE

HR People Insights & Data Intern, *Danone* — *Jan 2026 – Jul 2026 | Paris, France*

- Supported global HR reporting and data initiatives, working across HR, reporting, and technical teams.
- Coordinated user acceptance testing for HR dashboards, tracking access, role-mapping, and data-visibility issues.
- Analysed approximately **200 responses** from a **500+ person** HR community to identify user needs and opportunities for reporting improvements.
- Supported data governance through SSOT and KPI documentation, data-quality follow-up, and the update of a **233-row** business glossary.
- Led approximately **8–10 live dashboard training** and Q&A sessions across North America, Europe, and Latin America.
- Created tutorials, FAQs, and internal communications to improve understanding and adoption of Power BI-based HR reporting tools.

Classic Global — *Feb 2021 – Jan 2026 | Remote, Texas, United States*

Project Manager — *Apr 2024 – Jan 2026*

- Served as the main point of contact for exhibitor accounts, managing client requirements and relationships throughout project delivery.
- Coordinated with internal teams, suppliers, and event organizers to manage booth setup, amenities, registrations, deadlines, and client requests.
- Monitored account activity, bookings, project progress, and follow-ups using HubSpot and Excel.
- Resolved client and organizer issues requiring coordination across multiple teams and stakeholders.
- Led and trained a **7-member team** of Data Researchers and Business Development Executives, setting priorities and reviewing work across multiple international trade shows.

Account Manager — *Sep 2022 – Apr 2024*

- Managed the full client lifecycle from prospecting and inbound enquiries through discovery, negotiation, booking, and ongoing account management.
- Personally closed **130+ exhibitor bookings** representing an estimated **€940K+** in base booth sales across international trade shows.
- Built and maintained long-term client relationships, supporting a **76% exhibitor return rate** between consecutive show editions.
- Conducted discovery conversations to understand client objectives, requirements, and commercial priorities before recommending suitable exhibition packages.
- Managed sales pipeline, account activity, follow-ups, and future opportunities through HubSpot and Excel.
- Maintained regular contact with existing accounts to support current participation and future business opportunities.

Business Development Executive — *Feb 2021 – Sep 2022*

- Researched potential exhibitors and generated leads through cold calling, direct outreach, and inbound enquiries.
- Qualified prospects by understanding their goals, requirements, and interest in international trade shows.
- Recommended suitable participation options and followed prospects through to booking.
- Recorded lead activity, client conversations, follow-ups, and next steps in HubSpot and Excel.
- Built early-stage relationships with prospective clients and supported their progression through the sales pipeline.

EDUCATION

Master in Management Engineering – Grande École Program, *Audencia Business School* — *Sept 2024 – Mar 2026 | Nantes, France*

- Specialisation: Digital Business & Data Management.
- Relevant coursework: Customer Experience, Digital Transformation, Strategic Management, Data Analytics.

Bachelor of Technology in Civil Engineering, *Central Institute of Technology* — *Jul 2018 – May 2022 | Assam, India*

- Published and presented research at the HYDRO-2021 International Conference on Hydraulics, Water Resources and Coastal Engineering.
